

UNIVERSITY  
OF WESTERN  
MACEDONIA

Mechanical Engineering Department

Erasmus+

**Seminars "Spur Gears: Types, Uses, Benefits, and Manufacturing" by Karol Konecki**

The Department of Mechanical Engineering of the University of Western Macedonia, within the framework of the Erasmus+ program, will host two interesting lectures by Karol Konecki from the University of Kalisz, Poland.

These lectures are addressed to students, teachers and professionals in the field of mechanical engineering and will offer valuable knowledge in the field of design, machining and operation of gears.

In detail, the information about the lectures is as follows:

Date: **Wednesday 25 October**

Time: **16:00 - 18:00**

Subject: "Spur Gears - Basics: the manufacturing of Spur Gears"

Room: **ΑΠ3\_9**

Date: **Thursday 26 October**

Time: **16:00 - 18:00**

Topic: "Spur Gears: Recreation of the geometry of a non-standard spur gear"

Room: **ΑΠ3\_11**

All interested parties are invited to attend the lectures, which are open to the public and are an excellent opportunity for education and dialogue.

We look forward to seeing you there!

Sincerely,

Stefanos Gerardis
